## LETTER FROM THE PRESIDENT

Heading into the last quarter of 2022, we wanted to say a huge "Thank You" to our membership for supporting the Windsor Transportation Club this year, and contributing to it being one of our best to date!

Thank you to AJ with Wachna Law, as well as Joel with Townline Parking for sponsoring our very first networking pop-up events.

Looking ahead, we are very excited for what's to come for 2023, and look forward to bringing back Lobster Fest, as well as revitalizing Highway Carrier Night.

2022 is continuing to be our best year ever and we look forward to continuing to provide value to each and every one of you through these initiatives.

Sincerely,

President

# MEMBER SPOTLIGHT

Spectre Financial is a passion project that brought three people together with the dream of providing first class financial services advice to the middle-income market. We take the concepts and strategies normally reserved for the wealthy, and are committed to help anyone, from any financial background, develop, implement, and achieve their financial goals.

We opened our doors on March 1st of this year, and the last six months have been a whirlwind. The office is now at capacity, we now employ 17 full time people and 6 part-time people. We have grown from a single advisor to a team of six, with eight more in licensing as we write this today.

We are so blessed to have attracted some of the most wonderfully diverse, hardworking, and kind people we could ask for. Every single member of the organization is committed to helping Windsor families win the money game.

Check out our website for a free, no obligation 30 minute consultation to get started on your journey to Financial Freedom, today.
