presents their  
**Scholarship Fund Golf Tournament**

**AMBASSADOR**  
— GOLF CLUB —

**June 19, 2024**

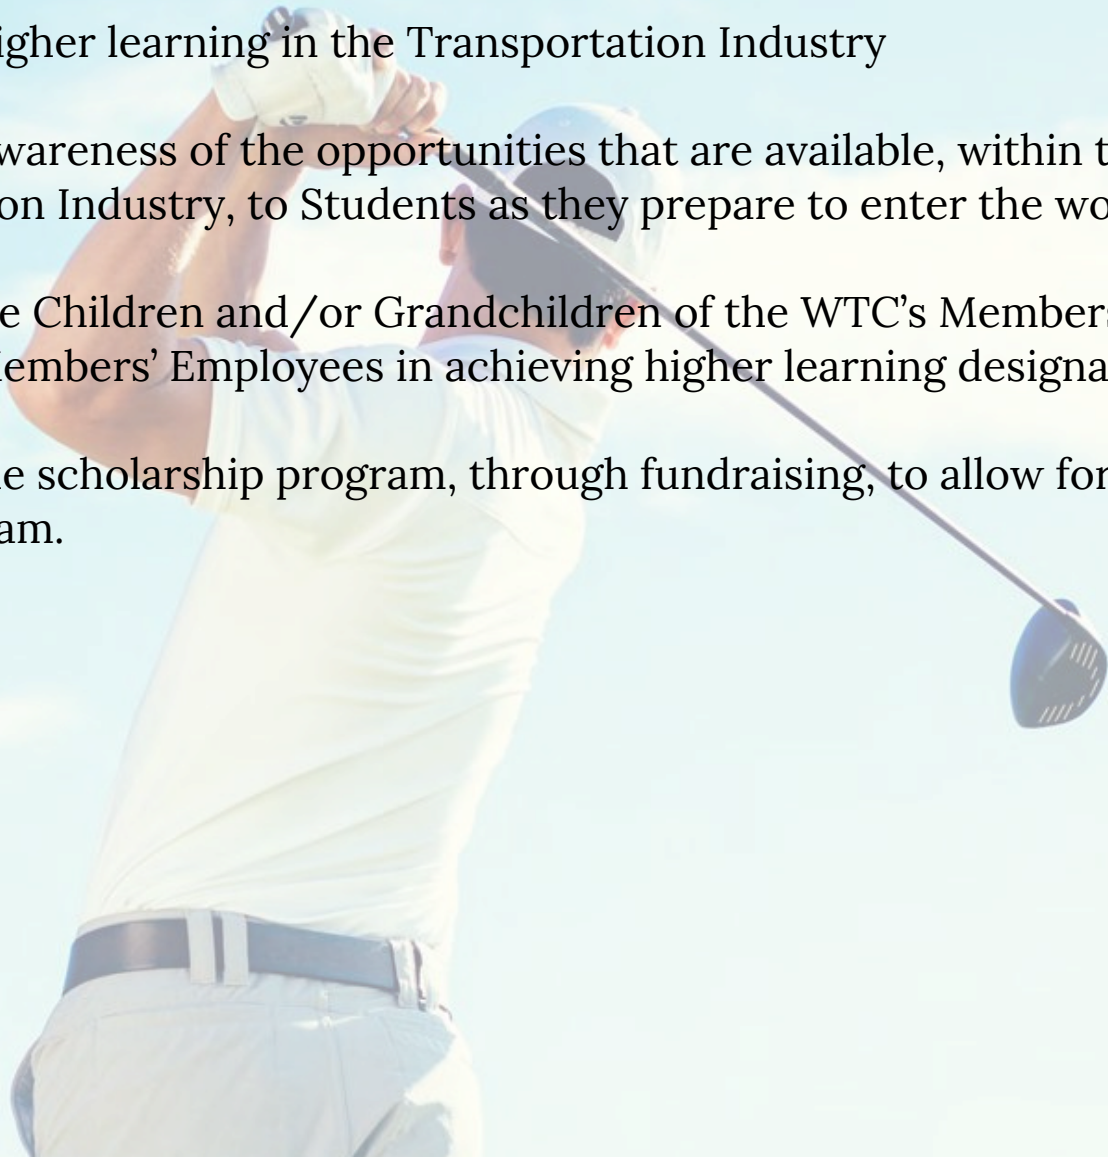

# The Windsor Transportation Club Scholarship

The WTC is committed to supporting the Local Transportation Industry and its members by helping build a stronger and better-educated workforce by partnering with Local Students and Post-Secondary Educational Institutions, through scholarship opportunities for deserving candidates.

This Scholarship Program will operate separately and independently from the current endowment scholarship programs already in place with the University of Windsor and St. Clair College.

The Objectives of the WTC Scholarship Program are to:

- Promote higher learning in the Transportation Industry
- Increase Awareness of the opportunities that are available, within the transportation Industry, to Students as they prepare to enter the workforce
- Support the Children and/or Grandchildren of the WTC's Members or corporate Members' Employees in achieving higher learning designations
- To grow the scholarship program, through fundraising, to allow for expansion of the program.
